While we are working on a roster system, we always need more volunteer officials to assist at competitions both in Brisbane and the Gold Coast. If there is a day when you are available, please contact Roster Coordinator Judy Cooper: jvcoop@bigpond.com

REMINDER: Meet Manager Training

So far, three members have indicated they are interested in the training courses for **MEET MANAGER** and **PHOTO FINISH**. We need more volunteers to cover this very important aspect of our competitions. QMA pays, you learn and we all benefit! The planned date for these is 21st November (TBC).

If you are interested in learning to operate this program, please register your interest at the operations room at the SAF (the white building just past the finish line) or contact the QMA Secretary.

MEMBERSHIP RENEWAL REMINDER

Your membership was due for renewal on 1st October. So far 211 members have renewed. **Thank you all!** That leaves around 200 members who haven't yet renewed. We hope to see your names back on the membership list soon.

CONGRATULATIONS

Congratulations to QMA member Clay Dawson who received the Masters Sportsman of the Year Award at the recent Ipswich City Council Sports Awards.

A new logo for QMA?

In a previous E-news, we asked for suggestions for new contemporary style logo for QMA. Here is one which takes the elements of the current logo – a segment of track and the Southern Cross – and presents them in a re-arranged format.

Do you love it? Hate it? Prefer the old one? Have a better idea?

We would love to hear your thoughts on it.

Please reply to this email with any comments.

FINALLY - FROM THE PRESIDENT

Have you looked at the QMA website lately? Please do so and catch up on all that is happening. It has been great to see so many athletes getting back into their sport since activities recommenced. A big thank you to all for your compliance with the Covid conditions that we have to meet each competition. Also a big thank you to our volunteers who man the gate to assist you. Finally, remember that our Gold Coast Masters compete regularly on Sunday mornings and they welcome all athletes to their activities.
